LINCOLN

Carried out Under Auspices of Sedgwick Camp Sons of Veterans-Many Fine Addresses Heard by Large Gathering of Guests.

A Lincoln's birthday observance was enthusiastically and successfully carried out on Friday evening at the Buckingham Memorial at a special meeting under the auspices of Sedgwick camp, No. 4, Sons of Veterans, with a programme of music and addresses that brought inspiration to the audience of military men present. Sedgwick post, No. 1, G. A. R., the Citizens' corps, and the Third and Fifth companies, Connecticut Cost Artillery, were the special guests of the avening by invitation. The two latter, under command of Captain John A. Hagberg and Captain William F. Tarbox, attended in uniform, about 55 strong.

An orchestra of eight pleece opened the programme with several selections, and played at intervals throughout the eveming.

Chairman Arthur L. Peale of the committee of arrangements presided, expressing a cordial welcome to all the guests and introducing Principal Clifton H. Hobson of Greeneville as the first speaker. Mentioning that his birthday anniversary was on the same date as that of Abraham Lincoln, Principal Hobson intensely interested his hearers with a well considered review of the labors of President Lincoln. He described him as one of those heroes and masters of men such as at times arise and are responsible for the advancement and progresses of a nation or people. He had three great tasks to confront him, and in the solving of these was shown his greatness. He had first to find the right way to solve the problem before him.

FINE ENTERTAINMENT

AT SECOND CHURCH. Commendable Manner and Winning Many Compliments-Large Number in Attendance

The Delta Alpha class at the Second Congregational church, taught ay Mrs, J. H. Larrabee, gave a most successful entertainment on Friday evening in the Sunday school rooms, there being a large number in attendance.

The stage settings had been well looked after by Vivian Allen and the two stage productions were winners. The farce, An Economical Boomerang, was cleverly given by the following cast: Mr. Dabblestone, J. H. Larrabee; Mrs. Dabblestone, Miss Mary Gibbs: Mr. Plover, Russell Kinney; Mrs. Plover, Miss Catherine Conant, doctor, Charles R. Carlyie; Maggie. Miss Marjorie Volkman. This met with general commendation and following intermission, during which ice cream was sold. The Bachelor's Sweethearts, a living picture monologue, was suca living picture monologue, was suc-cessfully given, the bachelor reviewing his many affairs of heart and the pictures represented in turn the sweet-hearts he had won and lost. As the bachelor, Noah Lucas was exceptionsachelor, Noan Lucas was exceptionally fine, and those taking the parts of sweethearts were Misses Hull, Breckenridge, Stephenson, Worth, James, Volkman, Dearing, Reynolds, Kinney, and Mrs. E. A. Smith.

During the evening there were mandolin and pigno selections by Carl and

He had first to find the right way to solve the problem before him, then to convince the people that it was the right way, and lastly to master the men who were to help him to the light he saw. For the first was required statesmanilike qualities of the highest order, for the second oratorical gifts of a rare kind, and for the last the mastery of men such as few possessed.

Mr. Hobson described how each of these was shown to have been the possession of Lincoln, and said that it seemed as if it was not alone the tragic character of his death that had served to place him upon a high pedestal, for with an increasing knowledge of Lincoln was growing a higher estimate of him year by year. His address was enthusiastically applauded.

Dr. P. H. Harriman, a member of the Citizens' corps, was the second speaker, sthring his audience to hearty applause with his eloquent words, as he contrasted the two birthdays coming so near together, Washington's and Lincoln's, the former president having been the one to wrest the colonies from the hands of the mother country, and the latter preserved the republic and handed it down to the succeeding generation untarnished and a priceless possession.

Dr. Harriman related many anecdotes of Lincoln, illustrating his ability as lawyer, debater, story teller and stump speaker, and referred in closing to the first observance of his birthday in congress, when Hon, Lafayette F. S. Foster introduced the Historiah Bancroft to deliver the address.

Rev. W. A. Keefe curate of St. Mary's parish, followed Dr. Harriman with a fervid address upon Patriottism in which he was frequently interrupted by applause. Expressing the greatest admiration for the martyred president, as well as for the brave men and equally brave women of all classes, whether at home or in the field during the civil war, he called upon his hearers to defend the flag against anarchy, socialism, the divorce evil, race suicide, and
